Dear Wilda, I have not been able to complete the record, but wanted you to have what I have so far. If there have been any additions or if there are any corrections to your record, let me know, as I would still like to have it complete and make some memographed copies for everyone. I know it has been a long time since I started this, but Aunt Willie has never answered. Sure do appreciate your helping me out. This has been lots of fun, and it is interesting to know that we have so many cousins with just about every date name and place you can think of. Wouldn't it be wonderful if we could all have a big reunion. Impossible, of course. Aunt Mary Morgan has a nice family, and I know she must be proud of all of you. Let me know how she is, and all about yourself and the rest of your family. We drove to Natalia one day during the holidays as Uncle Beaver had all his family together for the first time in 10 years. Was almost like going home, because we were always so close and lived close to each other. Uncle Walter had a hernia operation just after the holidays, but he is doing fine I hear. My youngest brother John was married in Dec (31). They left just after the wedding for Stillwater. He will enroll in school near there. We don't know any details yet, but I've wondered how for that is from you? I hope to hear from them soon. E.B. and his family were here early in Dec. Otherwise we haven't seen any of the boys in several months. I sure get lonesome for them. Sincerely hope this finds all of you well. Love, Hazel
